

FIRST GRADE SUPPLY LIST 2009-2010

BEEBE SCHOOL

On the first day of the new school year, your child will need school supplies predetermined by our teachers. You may either purchase the supplies on your own or through this program.

This is not a fundraiser for Beebe. This is a service to you and is highly encouraged by our teachers. It has been a helpful, efficient method for ensuring students are equipped with all they need and helps achieve uniformity between the students in terms of supplies. We can also pass on considerable bulk order discounts to you! (Not to mention the savings to you in time and effort!)

The First Grade School Packet offered through this program costs **\$30.00**. It provides all the items below in a sturdy cardboard box (great for storing schoolwork in later!) with personalized labels. The supplies will be on your child's desk the first day of school.

To order this school packet, please complete the attached order form and return it with payment no later than **Thursday, April 30, 2009**. Make checks payable to **Beebe Home and School Association**. Please clearly mark the envelope "School Supplies" along with your child's name and teacher. Your canceled check will be your receipt. You also have the option of paying by credit card online through our supply company website. Please see the order form for details.
