

# a YEARBOOK

will make the memories **last!**

## Family, children, friends.

We spend our lives loving them, caring for them, laughing with them and sometimes crying with them. These special occasions and even regular day-to-day moments become the snapshots of our lives. They become the precious memories that stay with us for a lifetime!

Each and every day, families around the world take pictures and tell stories. We fill scrapbooks and photo albums with our priceless memories; to keep, to cherish and hold onto forever.

Once in awhile...maybe next month or next year or next decade...nostalgia hits us. We dust off our collected books of photos, scrapbooks, old letters and cards and sit down and spend hours remembering our favorite memories. They are available at anytime because they have been saved!

That's why we at Taylor Publishing devote ourselves to making lasting impressions for your children. Yearbooks are more

than just words and pictures; Taylor yearbooks record history, preserve memories and make time stand still. A Taylor yearbook will be cherished forever, just like a beloved family scrapbook or photo album.

Memories are being made right now! Reserve your child's yearbook today so that you and your family can preserve and share these memories together for a lifetime!
