

Welcome to Highlands Home & School Association!

Highlands Home & School Association is similar to a P.T.A., in that all families are members. Home and School meetings are held monthly. Everyone is welcome and encouraged to attend. In general our meetings are held on the fourth Thursday of each month at 9am in the teacher's lounge.

We are fortunate to be a viable partner in the educational process and encourage you to become actively involved. Home & School sponsors many activities throughout the year which are successful because of our dedicated volunteers. Please consider joining us. And remember, volunteering is also a great way to get to know other families.

A listing of volunteer opportunities is included on the H&S webpage. In addition to fundraising efforts, here are just a few other ways our Home & School volunteers help:

- ☛ organize and staff Book Cart every Wednesday,
- ☛ provide needed assistance in the LRC,
- ☛ provide Art Awareness enrichment activities,
- ☛ sponsor Earth Week celebrations and maintain our natural habitat,
- ☛ ensure the smooth operation of the Hot Foods program,
- ☛ provide assistance in the classroom as Room Parents, and
- ☛ publish our monthly newsletter, [The Highlands Happenings](#).

At the beginning of each school year, we send out more information about volunteer opportunities at Highlands. We hope you will gain as much pleasure from volunteering as we have. We look forward to meeting you and working together on future projects. If we can answer any questions regarding Highlands and/or Home & School, please any member of the H&S exec board.
