

Drop-off / Pick-up Locations

Please read and review the following carefully with your children.

- The front lot (east lot) is designated for busses only before school and at dismissal times. There is very limited parking available on that lot at other times of the school day. Please observe posted signs.
- The north lot is the designated drop-off and pick-up location. Observe In and Out entrances. Drop or pick up your children in the approved lane only.
- When dropping off students, pull up as far as possible and let all of the children in your car out at the same time.
- Never leave your car at any time for any reason in the drop-off lane. (By order of the Naperville Fire Marshall)
- Children must enter and leave the car from the curbside only.
- Parking, standing or stopping along Ring Rd. or Kinsley Drive is prohibited during drop-off and pick-up times by the city of Naperville. Violators may be ticketed.
